The illustration page is repeated as long as
the text section in question is continued.

A complete unit is marked with a ring
around the item number.

A kit can be indicated through the item
number pointing to several parts.

A kit can also be indicated through the
item number being repeated several
times.

una página con una figura. Esta página se
repite hasta que el texto en cuestión haya
finalizado.

Cada unidad completa se marca con un
círculo alrededor del número de posición.

Un juego puede ser indicado con el núme-
ro de posición señalando hacia las distin-
